**DATING GOES MEDIEVAL IN NEW MUSICAL COMEDY  
“DATING IN THE MIDDLE AGES”  
“Sex in the City” Meets “GLEE” in Hot New Series Starring Devin Mills and  
Featuring John Schneider**

**Los Angeles, CA/July 15, 2010/positivePR** – Rogue Cowgirl Productions announced their newest series today, “Dating in the Middle Ages” starring Devin Mills and featuring John Schneider (“Smallville,” “Dukes of Hazard”). “Sex in the City,” meets “GLEE,” in this new musical comedy series following a blocked historical romance writer, Samantha Collins, as she looks for her Mr. Right through a series of very unfortunate dates. The clever, quirky comedy chronicles Sam’s dating misadventures augmented by her active imagination and medieval proclivities to deliver a hilarious and sometimes humiliating window into her quest for Mr. Middle-Aged Right.

Creator/writer, Devin Mills, stars in the series as historical writer Samantha Collins who, in search of her modern day Cary Grant, has recently begun dating again after ending her 15-year marriage. “I got the idea for the series after leaving a long relationship, starting to date again, and listening to many of my friends’ horror stories about dating at midlife,” commented Mills. “I hope that ‘Dating in the Middle Ages’ brings humor to the old adage, “looking for love in all the wrong places,” and inspires people to keep kissing those toads - you never know when one will turn out to be a prince.”

Actor John Schneider, best known for his role as Jonathan Kent, father of Clark Kent on more than a hundred episodes of the hit show “Smallville,” and as Bo Duke in, “Dukes of Hazard” recently joined the cast as Jake Hagarty, a charming new member of Samantha’s writing group who may turn out to be her modern day Cary Grant.

From medieval fantasies to Lady Gaga-esque musical daydreams, “Dating in the Middle Ages” explores everything from cougars and cubs, one-uppers, and low talkers to masochistic matchmakers and middle-aged man-children. With a well-heeled cast including film, television and Broadway veterans, and an award winning production team, “Dating in the Middle Ages” is sure to be a hit with audiences and critics alike.

“Dating in the Middle Ages” is set to premiere in late summer of 2010. The trailer is currently available at [www.youtube.com/user/datinginthemiddleage](http://www.youtube.com/user/datinginthemiddleage).
